#### Extended version:

future.666 stands for high energy and hot vibes Techno parties, accompanied by fast-paced rhythms, flowy grooves, and long-lasting dance sessions.

We have a date on the floor:

Rave with the triple six gang to a dance floor-oriented, energy-rich set that gives a hot take on driving and textured Techno.

future.666 has an endless passion for Techno and the community around it and relentlessly digs for the most cutting-edge and top-shelf Techno. Being one of the pioneers of the groovy techno genre, he is well-connected with underground producers, showcasing many unreleased tracks. By employing a 3-4 CDJ layered mixing style his sets create unique and captivating blends.

His attitude is relentlessly pushing boundaries and exploring the depths and possibilities of sound.

Leaving a mark on the scene with his label and gang BCCO, he is pushing the underground forward and fostering new and emerging talent, as well as hosting parties worldwide.

The dancefloor is the heart of Techno and where the magic of this genre materialises. Future has a deep appreciation for dancers and fosters a culture around it with his raver focused videosets. His high energy performance style instantly connects with the crowd. Future wants to enjoy the music together with the fam, immersed in the crowd, with a full booth and a 360 stage setup.
